

Creation of the World

Tune "Brighten the Corner Where You Are"

Patsy Stevens

On the first day God made the light.
 He gath - ered wat - ers in one place.
 Still more to do on next day three.
 Fourth day He made two migh - ty lights.
 All things were rea - dy for day five
 Day six was bu - sy as could be
 Fi - nal cre - a - tion on sixth day
 Hea - vens and earth in their ar - ray

He called light "day" the dark ness "night"
 Called them the "seas" and turned His face
 God made the grass and flowers and trees.
 Sun ruled the days and moon the nights.
 God made birds fly in the blue sky.
 God made the animals and set them free
 Adam in His image and then God did say,
 Were all com - ple - ted in six days.

Se - cond day He sep - a - ra - ted wat - ers from on high.
 Up - on soil re - main - ing where some - one could stand.
 Seed with - in the fruit would grow new plants just as they should
 Stars were twink - ling in the sky; a beau - ti - ful sight!
 Fish swam in the o - ceans just as they still do
 To roam up - on the earth and make more an - i - mals too.
 "I will make a help - er so that he won't lone - ly be.
 Sev - enth day He rest - ed from the work that He had done,

The space be - tween He called the sky.
 He called the ground He saw the "land".
 God saw that ev - 'ry - thing was good.
 God's great cre - a - tion is just right.
 Great fish and small ones were there too.
 God is so great! We know it's true.
 Took Ad - am's rib and made
 All with the help of Christ His Son.
