

Intervals

Patsy Stevens

second third fourth fifth sixth seventh

This musical staff shows intervals from a second to a seventh. The treble clef staff contains six pairs of notes, each pair representing an interval. The intervals are labeled 'second', 'third', 'fourth', 'five', 'sixth', and 'seventh' below the notes. The bass clef staff contains six black squares, each aligned with the corresponding interval in the treble staff.

7

eighth (octave)

This musical staff shows the eighth interval, an octave. The treble clef staff shows a pair of notes an octave apart, labeled 'eighth (octave)'. The bass clef staff contains four black squares, each aligned with the corresponding interval in the treble staff.
