

## Albert Schweitzer

<http://gardenofpraise.com/ibdschw.htm>

Albert Schweitzer was born	because families stayed with the patients.
He followed his father and grandfather	were able to speak several languages.
The musical instrument he played	Schweitzer was a supernatural being.
He was distressed because	in Alsace which was a part of Germany.
Albert and his wife moved	was in a chicken coop.
At the age of 30 he went back to school	were imprisoned because they were Germans.
Their first hospital	he was so fortunate and others were not as fortunate.
During World War 1 the Schweitzers	to Lambarene in the French Congo.
His hospital was different from others	brought life to its highest level.
The orderlies working for him	and became a medical doctor.
Many older Africans believed	in becoming a minister.
Schweitzer called something "good" if	was the organ.
