**12. ELEVATOR - Healed blind & mute man 12,000**

Right off of the sidewalk is a high rise building 15 floors tall. As soon as you walk through the front door, you enter the ELEVATOR. So the ELEVATOR is the 12<sup>th</sup> hook. In this case the hired elevator man is both blind and mute. He can hear what floor you tell him you want to go to, but he has to punch the floor numbers by brail so he can't argue and say you don't want to go there because he can't speak.

**13. SWIMMING POOL - Stills the storm on the Sea of Galilee 8480**

You've told the little elevator that you want to go the 13<sup>th</sup> floor. When You get to this floor, you find that they've made a SWIMMING POOL on it, because people are superstitious and wouldn't erect offices on the 13<sup>th</sup> floor. So rather than waste the space they built a pool this time there is a boat in the pool and a terrible storm is rocking it from side to side. At first Jesus was asleep but when they woke him up, He stills the storm by just speaking.

**14. MAGICIAN - Casts the demons out of Legion 8480**

You now go to the 14<sup>th</sup> floor where a MAGICIAN has his office. This MAGICIAN can do 14 tricks. This time he has 14 pigs all lined up in a row and each little pig has a Legionnaires cap on. The miracle is the time that Jesus casts the demons out of a naked man named Legion who was living in the cemetery. The demons went into a herd of 2,000 swine and they all ran over the cliff and all the pigs drowned.

**15. 15' SQUARE BED WITH 15 STEPS LEADING TO THE TOP. Woman with an issue of blood 9580**

Now you've reached the top floor of the building. On the 15<sup>th</sup> floor you have 15' SQUARE BED with 15 STEPS GOING UP TO IT. There is blood on every step and all over the big bed because it belongs to a woman who has had an issue of blood for 12 years and even though she's gone to many, many doctors and spent all her money, she can't get healed. She touches the hem of Jesus' garment and immediately cured of her hemorrhaging...

Now Go to Your Friend's House

**16. DRIVEWAY OF YOUR FRIENDS HOUSE - Jairus' daughter is raised fro the dead 9580**

You now leave the high rise building and go to your friend's house next door. In the DRIVEWAY you find Jairus' 12 year old daughter stretched out dead. Scripturally, Jesus was on his way to Jairus' house when house when the woman with the issue of blood touched him. By the time he reached Jairus' house, the family told him he was too late and she was already dead & they were already mourning over her. Jesus brought Jairus' daughter back to life.

On the BACK PORCH of our friend's house are two blind men and a demoniac who will not let Jesus in until he cures them

**18. KITCHEN - Feeds the 5,000 14,696**

You go into the KITCHEN of your friend's house and find there are 5,000 men, plus woman & children who have to be fed. The sad part is that you only have 5 loaves & 2 fish. Visualize a table that has 18 place settings as well as 18 picturesque plates with 18 painted in the middle of each.

**19. BATHROOM - Jesus walks on the water & Peter walks out to meet him 14,606**

From the kitchen you go into your friend's BATHROOM. Jesus is walking on the water in the bathtub and because of lack of faith, Peter is about to sink in the commode. Have the #19 on the shower curtains.

**20. LIVING ROOM - Daughter of a Syrophoenician (Greek) woman has devil cast out of her 15,700**

The 20<sup>th</sup> miracle is in the LIVING ROOM. There is a woman there on the couch with her little daughter. Jesus is also sitting on the couch with them. A little dog is begging crumbs from the coffee table, because in the miracle Jesus tells her that he hasn't come to the heathen yet, and she replies that even the dogs get the crumbs from the table. Jesus casts the devil from her daughter.

**21. DINING ROOM - Heals the deaf-mute 0700**

From the living room, you go into the DINING ROOM. There is one man sitting at the DINING ROOM table. He can see what he is eating, but he can't hear nor can he speak. Therefore Jesus heals the deaf-mute.

**22. HALL - Feeds the 4,000 15,800**

The HALLWAY is what you want to think of for the 22<sup>nd</sup> miracle. It is crowded with throngs of people standing two by two. (To help you remember the number 22). In fact you have another 4,000 men standing in the HALLWAY waiting to be fed... Jesus feeds the 4,000 with 7 loaves and a few fish.
